

Specialist opens office in Derby

CHERRY Professional, the financial recruitment specialist based in Beeston, has opened an office in Derby

It comes as the firm makes its 100th placement since the firm began in January 2009.

Cherry director Simon Gray said: "Derby has always been a key area for us.

"Obviously our main patch is Nottingham but we recruit across the region."

The latest placement is a financial analyst with Rolls-Royce.

Mr Gray, a qualified chartered accountant, will focus on the Derby market with colleague Ryan O'Donnell.
