Dear Mr Gray,

Nottingham Post Business Awards 2010

The judges have now reviewed the submissions for the Business Awards and I am delighted to be able to tell you that your submission was chosen as one of three finalists for the New Enterprise of the Year Award. The winner will be announced at the Awards Presentation Dinner to be held at The Council House, Nottingham, on Thursday 1st July.

The Dinner promises to be one of the most prestigious business events of the year, attended by the top people in the region's business community and senior executives of the principal organisations in the area.

Guests will be welcomed at 7.00pm. with a champagne reception before the Awards Presentation Dinner. Two complimentary tickets for the dinner will be sent to you shortly. All those attending the dinner are guests of the Nottingham Post and we regret that it is not possible to buy additional tickets for this event, as we will be at full seating capacity.

During the Awards presentation, we will be showing a short video profile of each finalist and we will be contacting you urgently to arrange for our camera crew to visit your company to shoot some suitable material.

And finally, please could we ask you to carefully check your company name as used in this correspondence to you, as this name will now be used for the generation of certificates etc. Please call our office immediately if your company name does not appear as you would like to be known.

Congratulations on your achievement and I look forward to meeting you on 1st July

Yours sincerely,

Lucy Strickland
Partner
